### **Tracking Tools and Opt-Out**

The Services use cookies and similar technologies such JavaScript (known as "Cookies") to enable our servers to recognize your web browser to operate and improve our Services. Cookies are small pieces of data— usually text files – placed on your computer, tablet, phone or similar device when you use that device to access our Services.

We use the following types of Cookies:

- Essential Cookies. Essential Cookies are required for providing you with features or services that you have requested. For example, certain Cookies enable you to log into secure areas of our Services. Disabling these Cookies may make certain features and services unavailable.
- Functional Cookies. Functional Cookies are used to record your choices and settings regarding our Services, maintain your preferences over time and recognize you when you return to our Services. These Cookies help us to personalize our content for you, greet you by name and remember your preferences (for example, your choice of language or region).

You can decide whether or not to accept Cookies through your internet browser's settings. Most browsers have an option for turning off the Cookie feature, which will prevent your browser from accepting new Cookies, as well as (depending on the sophistication of your browser software) allow you to decide on acceptance of each new Cookie in a variety of ways. You can also delete all Cookies that are already on your device. If you do this, however, you may have to manually adjust some preferences every time you visit our website and some of the Services and functionalities may not work.

To explore what Cookie settings are available to you, look in the "preferences" or "options" section of your browser's menu. To find out more information about Cookies, including information about how to manage and delete Cookies, please visit

<http://www.allaboutcookies.org/> or <https://ico.org.uk/for-the-public/online/cookies/> if you are located in the European Union.

## **Data Security and Retention**

We seek to protect your Personal Data from unauthorized access, use and disclosure using appropriate physical, technical, organizational and administrative security measures based on the type of Personal Data and how we are processing that data. You should also help protect your data by appropriately selecting and protecting your password and/or other sign-on mechanism; limiting access to your computer or device and browser; and signing off after you have finished accessing your account. Although we work to protect the security of your account and other data that we hold in our records, please be aware that no method of transmitting data over the internet or storing data is completely secure.

We retain Personal Data about you for as long as you have an open account with us or as otherwise necessary to provide you with our Services. In some cases we retain Personal Data for longer, if doing so is necessary to comply with our legal obligations, resolve disputes or collect fees owed, or is otherwise permitted or required by applicable law, rule or regulation. We may further retain information in an anonymous or aggregated form where that information would not identify you personally.

## **Personal Data of Children**

The Children's Online Privacy Protection Act ("COPPA") requires that online service providers obtain parental consent before they knowingly collect personally identifiable information online from children who are under 13 years of age. Our Services are not directed to children under 13. Also, we do not knowingly collect or solicit personally identifiable information from a child under 16. Specifically, we do not collect any personal information as defined by COPPA from the Predictor mobile application when a user only uses such application without registering an account with the Predictor Services, and we do not allow users who identify themselves as under the age of 16 to register for an account with the Predictor Service. If you are a child under 16 years of age, please do not attempt to register for an account with the Services or otherwise send any Personal Data about yourself to us. If we learn we have collected personal information from a child under 16, we will delete that information as quickly as possible. If you believe that a child under 16 years of age has provided us with Personal Data, please contact us at [support@justaboutsport.com](mailto:support@justaboutsport.com).

## **Access**

You have the right to request certain information about our collection and use of your Personal Data over the past 12 months. In response, we will provide you with the following information:

- The categories of Personal Data that we have collected about you.
- The categories of sources from which that Personal Data was collected.
- The specific pieces of Personal Data that we have collected about you.

## **Deletion**

You have the right to request that we delete the Personal Data that we have collected about you. Under the CCPA, this right is subject to certain exceptions: for example, we may need to retain your Personal Data to provide you with the Services or complete a transaction or other action you have requested. If your deletion request is subject to one of these exceptions, we may deny your deletion request.

## **Exercising Your Rights**

To exercise the rights described above, you or your Authorized Agent (defined below) must send us a request that (1) provides sufficient information to allow us to verify that you are the person about whom we have collected Personal Data, and (2) describes your request in sufficient detail to allow us to understand, evaluate and respond to it. Each request that meets both of these criteria will be considered a "Valid Request." We may not respond to requests that do not meet these criteria. We will only use Personal Data provided in a Valid Request to verify your identity and complete your request. You do not need an account to submit a Valid Request.

We will work to respond to your Valid Request within 45 days of receipt. We will not charge you a fee for making a Valid Request unless your Valid Request(s) is excessive, repetitive or manifestly unfounded. If we determine that your Valid Request warrants a fee, we will notify you of the fee and explain that decision before completing your request.

You may submit a Valid Request at [support@justaboutsport.com](mailto:support@justaboutsport.com)

You may also authorize an agent (an "Authorized Agent") to exercise your rights on your behalf. To do this, you must provide your Authorized Agent with written permission to exercise your rights on your behalf, and we may request a copy of this written permission from your Authorized Agent when they make a request on your behalf.

## **European Union Data Subject Rights**

### **EU Residents**

If you are a resident of the European Union ("EU"), United Kingdom, Lichtenstein, Norway or Iceland, you may have additional rights under the EU General Data Protection Regulation (the "GDPR") with respect to your Personal Data, as outlined below.

For this section, we use the terms "Personal Data" and "processing" as they are defined in the GDPR, but "Personal Data" generally means information that can be used to individually identify a person, and "processing" generally covers actions that can be performed in connection with data such as collection, use, storage and disclosure. Dalware will be the controller of your Personal Data processed in connection with the Services.

If there are any conflicts between this this section and any other provision of this Privacy Policy, the policy or portion that is more protective of Personal Data shall control to the

extent of such conflict. If you have any questions about this section or whether any of the following applies to you, please contact us at support@justaboutsport.com

## **Personal Data We Collect**

The “Categories of Personal Data We Collect” section above details the Personal Data that we collect from you.

## **Personal Data Use and Processing Grounds**

The “Our Commercial or Business Purposes for Collecting Personal Data” section above explains how we use your Personal Data.

We will only process your Personal Data if we have a lawful basis for doing so. Lawful bases for processing include consent, contractual necessity and our “legitimate interests” or the legitimate interest of others, as further described below.

- Contractual Necessity: We process the following categories of Personal Data as a matter of “contractual necessity”, meaning that we need to process the data to perform under our Terms of Use with you, which enables us to provide you with the Services. When we process data due to contractual necessity, failure to provide such Personal Data will result in your inability to use some or all portions of the Services that require such data.
  - Profile or Contact Data (if you elect to use our services that enable the sharing of the predictions you made through our applications)
- Legitimate Interest: We process the following categories of Personal Data when we believe it furthers the legitimate interest of us or third parties:
  - Profile or Contact Data
  - Other Identifying Information that You Voluntarily Choose to Provide
  - We may also de-identify or anonymize Personal Data to further our legitimate interests.

Examples of these legitimate interests include (as described in more detail above):

- Providing, customizing, and improving the Services.
  - Performing internal analytics of the Services for product use analysis, product performance enhancement, and product development.
  - Providing technical support, customer support, troubleshooting, and other services.
  - Corresponding with you, and responding to your requests.
  - Meeting legal requirements and enforcing legal terms.
  - Completing corporate transactions.
  - Protecting information, system, network, and cyber security
- Consent: In some cases, we process Personal Data based on the consent you expressly grant to us at the time we collect such data. When we process Personal Data based on your consent, it will be expressly indicated to you at the point and time of collection.

- Other Processing Grounds: From time to time we may also need to process Personal Data to comply with a legal obligation, if it is necessary to protect the vital interests of you or other data subjects, or if it is necessary for a task carried out in the public interest.

## **Sharing Personal Data**

The “How We Share Your Personal Data” section above declares that we do not share your personal data.

## **EU Data Subject Rights**

You have certain rights with respect to your Personal Data, including those set forth below. For more information about these rights, or to submit a request, please email us at [support@justaboutsport.com](mailto:support@justaboutsport.com). Please note that in some circumstances, we may not be able to fully comply with your request, such as if it is frivolous or extremely impractical, if it jeopardizes the rights of others, or if it is not required by law, but in those circumstances, we will still respond to notify you of such a decision. In some cases, we may also need you to provide us with additional information, which may include Personal Data, if necessary to verify your identity and the nature of your request.

- **Access**: You can request more information about the Personal Data we hold about you and request a copy of such Personal Data.
- **Rectification**: If you believe that any Personal Data we are holding about you is incorrect or incomplete, you can request that we correct or supplement such data.
- **Erasure**: You can request that we erase some or all of your Personal Data from our systems.
- **Withdrawal of Consent**: If we are processing your Personal Data based on your consent (as indicated at the time of collection of such data), you have the right to withdraw your consent at any time. Please note, however, that if you exercise this right, you may have to then provide express consent on a case-by-case basis for the use or disclosure of certain of your Personal Data, if such use or disclosure is necessary to enable you to utilize some or all of our Services.
- **Portability**: You can ask for a copy of your Personal Data in a machine-readable format. You can also request that we transmit the data to another controller where technically feasible.
- **Objection**: You can contact us to let us know that you object to the further use or disclosure of your Personal Data for certain purposes, such as for direct marketing purposes.
- **Restriction of Processing**: You can ask us to restrict further processing of your Personal Data.
- **Right to File Complaint**: You have the right to lodge a complaint about Dalware’s practices with respect to your Personal Data with the supervisory authority of your country or EU Member State. A list of Supervisory Authorities is available here: [https://edpb.europa.eu/about-edpb/board/members\\_en](https://edpb.europa.eu/about-edpb/board/members_en).

## **Transfers of Personal Data**

The Services are hosted and operated in the United States ("U.S.") through our service providers, and if you do not reside in the U.S., laws in the U.S. may differ from the laws where you reside, and the laws of the U.S. may not protect Personal Data to the same standard as the GDPR. We recognize that the GDPR requires us to put in place safeguards which will ensure that your GDPR rights continue to be respected in the U.S., and we acknowledge our obligations in that regard. As you are resident of the European Economic Area or the United Kingdom, we need to ask for your consent that any Personal Data about you, regardless of whether provided by you or obtained from a third party, is being transferred and provided to Dalware in the U.S. and will be hosted on U.S. servers, in order for us to comply with our obligations under the GDPR. By indicating your consent when prompted to do so through the Services, you authorize Dalware to transfer your personal data outside of Europe, and to store and process your information to and in the U.S., and possibly other countries. You can elect not to provide consent to such transfer when prompted to do so through the Services, and you have the right to withdraw your consent at any time, but you acknowledge that certain categories of data are necessary for us to be able to provide you with the Services as requested by you and set forth in these Terms of Service and Privacy Policy, and therefore we may rely on the derogations permitted under Article 49 of the GDPR to transfer such data outside of Europe. If you do not wish for your data to be processed and hosted in the U.S., please do not use the Services.

If, in the future, there are alternative means of giving you equivalent protection to the GDPR when we transfer data outside of Europe, for example of a framework or certification recognized by the relevant data protection authority in Europe as providing an adequate level of protection as the GDPR suitable for our use, then we may use those methods instead of any described above. In all cases, we take the privacy and security of your personal data seriously and will satisfy ourselves that your Personal Data will be protected.

### **Changes to this Privacy Policy**

We're constantly trying to improve our Services, so we may need to change this Privacy Policy from time to time, but we will alert you to any such changes by placing a notice on the Justaboutsport.com website, by sending you an email and/or by some other means. Please note that if you've opted not to receive legal notice emails from us (or you haven't provided us with your email address), those legal notices will still govern your use of the Services, and you are still responsible for reading and understanding them. If you use the Services after any changes to the Privacy Policy have been posted, that means you agree to all of the changes. Use of information we collect is subject to the Privacy Policy in effect at the time such information is collected.
